What is a wam item?

A 'wam item' is anything used to get messy, in one 'portion' like eg a bottle of choc sauce, a pie, a carton of custard, a trifle, a tin of treacle, a jar of golden syrup... etc

Personalisation

All sessions are always personalised by the person booking the session so it's up to individual tastes.

Wam Items can be swapped around for more buckets and fewer items, or fewer buckets and more items... every single thing is personalised! Or of course it can be left to my judgement for the messiest possible time.

Wetlook sessions

Wetlook sessions are £100 per hour and include use of gunge tank (but filled with water) and shower, bath, and paddling pool

Substances: The gunge tank gets filled with gunge, as in gameshow gunge/slime but I can also do porridge or custard. The gunge tank can also be filled with custard or cake batter (ask me for costs)

Preparation & Clean up: In all except the micro sessions I supply all the goo/messy stuff and I do the prep and clean up.

Saying Hello: Time is provided before and after a session for a relaxing chat and a cuppa (or other beverage!) you do not have to immediately be messy or leave straight away

Facilities: Messy studio, Gunge tank, mud pool, lots of lovely hot water, shower and bath, toiletries, loo, spare towels, tea, coffee & soft drinks, everything you need is here. Overnight stays may be possible if you are going to be travelling a long way

Overnight Stays: A comfy private room and bed is available for overnight stays if you have travelled a long way. This facility is an extra £100 and can be negotiable if you are travelling a long way

What you need to bring: You just need to bring yourself and towel if possible, plus anything you might want to start off wearing. If you have booked a micro session, bring your own gunge powder as well

Nudity, Scenarios & Rules: Fantasy/roleplay/domination scenarios are fine. Nudity is fine, and touch is also fine - this means brief touch with hands. Being 'hands on' is fine to a saucy/cheeky level (boobs and bum) and for things like filling bra & knickers. If you are booking a session with a model other than me (but at my studio) please be aware they may have different rules

Interactivity: Unless otherwise requested, I don't just sit on a chair being messed up, I like to play an active part and have fun!

Rules Continued: I don't agree to specific sex acts/favours as I am in a relationship, however you are welcome to do whatever you like to yourself. If preferred, at the end of the session you can have privacy while I go off for a shower or you can shower first. Even stay dressed if you like to have the pleasure of messy clothes while you get off. **Please let me know ahead of time if you want to shower first or be left in privacy in the mess**

Booking: If you would like to book, just email to say so and let me know a few dates that are possible for you, and what messy stuff and type of outfit you would like, and we'll get something sorted! Once we have found a suitable date and agreed which session option you'd like, then you make your payment and I supply the address and my number

Deposit & Payment A minimum 50% deposit is necessary upon booking a definite date, to hold the date for you. This is payable by bank transfer, with activated session vouchers from wamstructions.com or carefully concealed cash sent recorded delivery. There is a discount applied for all sessions paid in advance in full, as this helps me with bulk buying wam items

Refunds: If you have a problem that stops you from being able to attend your session then you will not lose your money! You will be provided with session vouchers and we will simply re-arrange for another time, even if it takes a long time for you to be available again. That's fine. In return, if anything stops ME from being able to do the session (VERY RARE!) I ask that you allow me to re-arrange the date - again you will be provided with session vouchers

Holding service: Outfits, gunge powder, shoes or anything like that can be posted to me if you need to for discretion if you can't have things like that delivered to your home.

Laundry Service: if you'd like me to try and rescue your messy clothes after your session there is washing machine available to do this. Please let me know in advance if you'd like this option otherwise the outfits will be thrown away.

Frequently Asked Questions

Most queries you have should be answered in the info above, but if not try having a read of these. Literally the copied FAQs from my website put here for your convenience

Wetlook, Messy & Splosh session FAQ's

Q: How much does a private messy session cost?

A: They now start from just £80! I have a vast range of options to suit all budgets from £80 to £2000. The most common price point booked is probably £250/£300. If you are reading this in the PDF guide then the full set of costs and options are outlined above.

Q: Where are you based and what is your nearest train station?

A: Ludlow - further info is provided at the top of this guide

Q: Tell me about the gunge tank and gunge tank sessions?

A: Well, it's amazing! It holds about 100l of gunge and can be used as a quickie session, or as part of a longer 'normal' private session. The gunge is collected underneath and can be re-used. If you have been for sessions before I owned a gunge tank, pricing to include the gunge tank in a session is slightly different, so please contact me for more information.

Q: What is included in a private messy session with yourself?

A: Everything! You just need to bring yourself, and a towel. I do all the prep and clean up, provide my own outfits and provide the messy gunge/goop/pies etc

Q: Am I allowed to touch you during the session?

A: Yes! Touch is fine within reason, and makes things more relaxed in a cheeky way

Q: Do you offer sexual services?

A: No - I don't judge those who do, but I am in a very happy relationship and would not engage in anything sexual

Q: Can you get me messy as well?

A: Oh yes, definitely!

Q: Can I just get you messy and I stay clean?

A: Yes of course, it's all up to you

Q: Can I bring you an outfit?

A: Yes if you like, that is no problem. I will supply what I can wherever possible though and within reason

Q: Can you wash and keep my outfit for me?

A: Yep! All part of the service.

Q: Is nudity allowed?

A: Yes, and fabulous it is too.

Q: Is nudity essential?

A: Nope! I also do many sessions where the clothes remain firmly on and filled... and even on during a shower at the end sometimes!

Q: Do you do wetlook sessions too?

A: I certainly do, I love wetlook as well.

Q: What if I get an erection during my session?

A: I'd be more concerned if you didn't! Don't worry about it at all, this is your time to enjoy and not worry about things like that. It doesn't embarrass or offend me at all.

Q: Can we talk first or do you chuck me right in at the deep end?

A: I always make time for a cuppa and a chat first, please see my feedback and how everyone says how relaxed everything is once you get here.

Q: I'm into receiving domination as well as being into WAM - can you combine the two in a session?

A: Yes absolutely. See the domination tab, Miss Candy is available separately from messy sessions too. In the right situation for the right person, I can also be submissive

Q: I like to cross dress, can I do this in a session?

A: God yes please do - I love it. Dress me up and mess me up sessions are lovely and intimate!

Q: Do you do two girl messy sessions?

A: Yes... they are brilliant!

Q: I'm really nervous. I hope that's OK?

A: It's fine... I truly understand it because I have approached a session provider myself from the viewpoint of customer. I was so nervous... I was a total wreck in fact. So I truly understand how you feel and I have always gone out of my way to make people feel comfortable. Again my feedback reflects this. Please don't worry - you're in the best possible hands.

Q: Will it be just me and you at your place?

A: Yes sessions are always one to one unless it's a two girl splosh session with me and the other girl

Q: Is it discreet and are you discreet?

A: Yes, discretion is of course of the utmost importance to me. I keep this lifestyle to myself and treat the details of my visitors the same. I expect the same in return too of course. I've been providing splosh sessions for ten years now and that wouldn't be the case if I were a blabbermouth.

Q: Can you film our wam session or take pics?

A: Yes I certainly can - whatever you are happy with.

Q: I'm gay, can I still visit you?

A: Yes of course you can

Q: Can I bring a partner/friend of the same sex?

A: Yep!

Q: Can I bring my girlfriend/wife?
A: Absolutely! The more the merrier

Candy FAQ's

Q: How did you get into splashing?

A: I always have been! It's just always been there since childhood. I just always have been messier than my friends, in trouble for being messy, ruining shoes getting stuck in mud on purpose, thinking about being messy, planning things, playing with concoctions, interested in the messy stuff on TV and I was so impressed reading some Tiswas books (I just missed the show a tiny bit too young for it but the books were in the library) I was obsessed with the phantom flan flinger. I attended a Saturday morning show in the audience and when I was over I ran down and tried to fall into the dunk tank full of slime.

Then when I was older it turned um... naughtier. It seemed a natural part of foreplay for me and I kept wanting to take it further to complete coverage rather than just a bit of whipped cream. Suppressed it for years while married and making up for it ever since!

I have no idea where the hell it came from or why though, there isn't any one point where I am like 'oh yeah that was the moment' :-/

Q: What's your favourite substance to get messy with?

A: I have a fetish within a fetish for smartprice cake batter mixed thickly... aside from that though, custard and trifle are amazing... and porridge and margarine and mud... not forgetting pies and shaving cream hahaa. Impossible to choose really

Q: Do you realise how damned lucky you are

A: Yes I do...

Q: Is there anything you don't like splashing with?

A: Not really no... only garlicky things tend to be more of a put off for me. But I've splashed with just about every substance there is from custard to weetabix to cake mix, mud, paint normal pies, savoury pies, and even added (clean!) dog hair at one point and I love it all. Plus the simplicity of wetlook too and how brilliant a clothed bath or shower is.
