A 'wam item' is anything used to get messy, in one 'portion' like eg a bottle of choc sauce, a pie, a carton of custard, a trifle, a tin of treacle, a jar of golden syrup... etc. Give me an indication of your preference (sweet, savoury, smooth, lumpy etc) and I will choose a selection that fits the brief

### **Personalisation**

All sessions are always personalised by the person booking the session so it's up to individual tastes. It may be possible to swap some wam items for an extra bucket if that is your preference. 2 or 3 swaps can usually be made. Please enquire upon booking.

**Substances:** The gunge tank gets filled with gunge, as in gameshow gunge/slime but I can also do custard or cake batter (ask me for costs)

**Preparation & Clean up:** I supply all the goo/messy stuff and I do the prep and clean up.

**Saying Hello:** Time is provided before and after a session for a relaxing chat and a cuppa (or other beverage!) you do not have to immediately be messy or leave straight away

Overnight stays may be possible if you are going to be travelling a long way

**Interactivity:** I do not get messy in sessions any more, I do the messing up and stay clean. Models will have their own rules about interactivity and you should check their preferred boundaries upon booking with them

**Booking:** If you would like to book, just email to say so and let me know a few dates that are possible for you, and what messy stuff and type of outfit you would like, and we'll get something sorted! Once we have found a suitable date and agreed which session option you'd like, then you make your deposit payment and I supply the address and my number

**Deposit & Payment** A minimum 50% deposit is necessary upon booking a definite date, to hold the date for you. This is payable by bank transfer, or carefully concealed cash sent by signed for delivery. The rest of your payment is due one week before your session.

**Refunds:** If you have a problem that stops you from being able to attend your session then you will not lose your money as long as you let me know by 8am on the day of the session. You will be provided with session vouchers and we will simply rearrange for another time, even if it takes a long time for you to be available again. That's fine. In return, if anything stops ME from being able to do the session then I ask you allow me to rearrange the date, or of course a refund will be provided if needed.

**Holding service:** Outfits, gunge powder, shoes or anything like that can be posted to me if you need to for discretion if you can't have things like that delivered to your home.

### **Frequently Asked Questions**

Most queries you have should be answered in the info above, but if not try having a read of these. Literally the copied FAQs from my website put here for your convenience

### **Wetlook, Messy & Splosh session FAQ's**

Q: How much does a private messy session cost?

The most common price point booked is £250. If you are reading this in the PDF guide then the full set of costs and options are outlined above.

Q: Where are you based and what is your nearest train station?

A: Ludlow - further info is provided at the top of the PDF guide

Q: Tell me about the gunge tank and gunge tank sessions?

A: Well, it's amazing! It holds about 100l of gunge. The gunge is collected underneath and can be used infinitely or repeatedly..

Q: What is included in a private messy session with yourself?

A: Everything! You just need to bring yourself, and a towel. I do all the prep and clean up, provide the messy gunge/pies etc

Q: Am I allowed to touch you during the session?

A: It's not really applicable now as I don't get messy in sessions myself now I just do the messing up.

Q: Do you offer sexual services?

A: No - I don't judge those who do, but I am in a very happy relationship and would not engage in anything sexual

Q: Can you get me messy as well?

A: I only mess other people up in my sessions now. If you would like mutual mess, please bring a model, friend or partner. See <https://sploshsessions.com> for available models

Q: Can I just get you messy and I stay clean?

A: No as I don't get messy in sessions now, but feel free to bring a model, friend or partner who is willing to have a mutual messing

Q: Can I bring you an outfit?

A: Yes if you like, that is no problem. I will supply what I can wherever possible though and within reason

Q: Can you wash and keep my outfit for me?

A: Yep! All part of the service. Please let me know in advance if you need this service

Q: Is nudity allowed?

A: Yes, and fabulous it is too.

Q: Is nudity essential?

A: Nope! I also do many sessions where the clothes remain firmly on and filled... and even on during a shower at the end sometimes!

Q: Do you do wetlook sessions too?

A: The studio can indeed be used for wetlook sessions

Q: What if I get an erection during my session?

A: I'd be more concerned if you didn't! Don't worry about it at all, this is your time to enjoy and not worry about things like that. It doesn't embarrass or offend me at all either way.

Q: Can we talk first or do you chuck me right in at the deep end?

A: I always make time for a cuppa and a chat first, please see my feedback and how everyone says how relaxed everything is once you get here.

Q: I'm into receiving domination as well as being into WAM - can you combine the two in a session?

A: Yes absolutely

Q: I like to cross dress, can I do this in a session?

A: God yes please do - I love it. Dress me up and mess me up sessions are lovely and intimate!

Q: Do you do two girl messy sessions?

A: I may offer these sometimes when another model is visiting on tour. If any such thing is arranged, it will be announced on twitter and probably in my blog too.

Q: I'm really nervous. I hope that's OK?

A: It's fine... I truly understand it because I have approached a session provider myself from the viewpoint of customer. I was so nervous... I was a total wreck in fact. So I truly understand how you feel and I have always gone out of my way to make people feel comfortable. Again my feedback reflects this. Please don't worry - you're in the best possible hands.

Q: Will it be just me and you at your place?

A: Yes sessions are always one to one unless it's a two girl splosh session with me and the other girl. My partner is often around but he's very relaxed and fetish friendly and keeps 'out of the way'

Q: Is it discreet and are you discreet?

A: Yes, discretion is of course of the utmost importance to me. I keep this lifestyle to myself and treat the details of my visitors the same. I expect the same in return too of course. I've been providing splosh sessions for over eleven years now and that wouldn't be the case if I were a blabbermouth.

Q: Can you film our wam session or take pics?

A: Yes I certainly can - whatever you are happy with.

Q: I'm gay, can I still visit you?

A: Yes of course you can

Q: Can I bring a partner/friend of the same sex?

A: Yep!

Q: Can I bring my girlfriend/wife?

A: Absolutely! The more the merrier

## **Candy FAQ's**

**Q: How did you get into splashing?**

**A:** I always have been! It's just always been there since childhood. I just always have been messier than my friends, in trouble for being messy, ruining shoes getting stuck in mud on purpose, thinking about being messy, planning things, playing with concoctions, interested in the messy stuff on TV and I was so impressed reading some Tiswas books (I just missed the show a tiny bit too young for it but the books were in the library) I was obsessed with the phantom flan flinger. I attended a Saturday morning show in the audience and when it was over, I ran down and tried to fall into the dunk tank full of slime.

Then when I was older it turned um... naughtier. It seemed a natural part of foreplay for me and I kept wanting to take it further to complete coverage rather than just a bit of whipped cream. Suppressed it for years while married and making up for it ever since!

I have no idea where the hell it came from or why though, there isn't any one point where I am like 'oh yeah that was the moment' :-/

**Q: What's your favourite substance to get messy with?**

**A:** I have a fetish within a fetish for asda smartprice cake batter mixed thickly... aside from that though, custard and trifle are amazing... and porridge and margarine and mud... not forgetting pies and shaving cream hahaa. Impossible to choose really

**Q: Do you realise how damned lucky you are**

**A:** Yes I do...

**Q: Is there anything you don't like splashing with?**

**A:** Not really no... only garlicky things tend to be more of a put off for me. But I've splashed with just about every substance there is from custard to weetabix to cake mix, mud, paint normal pies, savoury pies, and even added (clean!) dog hair at one point and I love it all. Plus the simplicity of wetlook too and how brilliant a clothed bath or shower is.
